## Fuel and Lube Technician

Duz Cho is looking for Fuel and Lube Technician to join our team at Mount Milligan.

Employees are expected to support and participate in a “culture of safety”, adhere to and be ambassadors of Duz Cho’s Code of Conduct and Values, act professional and amicable, and to treat others with dignity, respect, and fairness.

Duz Cho is a 100% Indigenous owned company, with ownership belonging to Mcleod Lake Indian Band. The successful candidate will have a deep understanding of the diverse cultures and histories of local Indigenous communities. They must have demonstrated experience in applying Indigenous knowledge in a professional setting, adhering to cultural protocols, and working with a culturally safe approach. Knowledge of the Truth and Reconciliation Commission of Canada (TRC) Calls to Action and a commitment to advancing reconciliation are essential.

Fuel and Lube technicians will be critical to ensure that our operation is running smoothly and safely. Operators must be able to climb vehicles steps, bend, crawl, and carry fuel hoses, and be responsible for the handling and care of hazardous substances.

This will be a camp position, 14 days on and 14 days off.

Qualifications:

Valid class 1 or class 3 with a clean drivers abstract

5+ years of experience as a fuel and lube technician specifically on Mining or Heavy industrial job sites

Technical knowledge with manufacturers such as Caterpillar, Hitachi, John Deere, Komatsu equipment, ranging from but not limited to, 30 – 90 ton Excavators, D6 and D8 class Dozers, 45ton Articulated Rock trucks, smooth drum packers and other mining and support equipment.

Strong environmental awareness in spill-prevention protocols, TDG and WHMIS certificates are required.

Rate will be \$30.00 to \$40.00 / hr pending on experience.
