

Safety Coordinator

Duz Cho is looking for a Safety Coordinator at MtM Milligan in the Mackenzie BC area. If you think you have what it takes to join a dynamic team and become a member of a growing team, please apply without haste.

Employees are expected to support and participate in a “culture of safety”, adhere to and be ambassadors of Duz Cho’s Code of Conduct and Values, act professional and amicable, and to treat others with dignity, respect, and fairness.

Duz Cho is a 100% Indigenous owned company, with ownership belonging to Mcleod Lake Indian Band. The successful candidate will have a deep understanding of the diverse cultures and histories of local Indigenous communities. They must have demonstrated experience in applying Indigenous knowledge in a professional setting, adhering to cultural protocols, and working with a culturally safe approach. Knowledge of the Truth and Reconciliation Commission of Canada (TRC) Calls to Action and a commitment to advancing reconciliation are essential.

As a Safety Coordinator, you will play a crucial role in ensuring the well-being of our employees by promoting a safe working environment. You will have the opportunity to make a significant impact on our organization through your expertise in safety policies, training, and incident investigation. If you are passionate about workplace safety and have the necessary experience, we invite you to apply for this position.

Please note that this is not an exhaustive list of responsibilities or qualifications associated with this position.

This is a camp position, and the schedule will either be 14/14 or very similar. Being able to pass an Alcohol / Drug and physical fitness testing will be a condition of employment.

Roles & Responsibilities:

- A resource for the supervisors in the field
- Assist with Incidents and investigations and provide guidance when needed
- Follow up and monitor corrective actions to ensure they are being carried out and maintained
- Conduct site inspections and report all recognized unsafe acts and conditions and provide guidance to supervisors to mitigate them
- Coordinate with supervisor on daily job tasks
- Review safety documentation to ensure it is current, relevant, and present for the scope of work being conducted on site
- Work closely with Health and Safety Manager to roll out and maintain current safety programs
- Attend daily safety meetings and help workers with any safety concerns
- Conduct site specific safety orientations when required
- Act as a liaison between the field medics, supervisors and the Health and Safety Manager

Qualifications:

- Education level – NCSO
- Experience – Minimum 2 years' experience working in mining and forestry.

Wage Rate: \$35 to \$40 pending on experience.
