

Employment Opportunity

WFN fosters a workplace environment that is diverse, inclusive, collaborative, healthy, and reflective of Syilx values and culture.

Community Care Nurse – Full Time, Term

Who We Are

Located within the traditional unceded territory of the syilx people, Westbank First Nation (WFN) is a progressive and prosperous self-governing First Nation. WFN is dedicated to promoting a healthy and prosperous future to ensure its continued existence as a strong political, social and cultural community.

Westbank First Nation values Equality, Honesty and Fairness, Respect, Integrity, Accountability and Transparency, Sustainability, Understanding, Confidentiality and Efficiency.

About this Opportunity

Reporting directly to the Health Manager, the Community Care Nurse is responsible for assisting in the implementation and evaluation of the home & community care, Adult In-Home Care, Diabetes, Chronic Disease Program, and Community Health Program.

The Community Care Nurse delivers and assists with supporting clients in their homes during times of acute or chronic health issues. The Community Care Nurse also provides nursing care to clients of the program such as catheter insertion, wound care, foot care, and nursing assessment. The Community Care Nurse works with family members and community resources to ensure Elders and others with chronic health conditions are cared for safely and respectfully.

Want to know more? You will..

- Coordinates the administration of the Home and Community Care, Adult In-Home Care, Diabetes and Chronic Disease programs
- Provides health support and basic medical services to individuals, families, and groups in the community as directed
- Provides community education, support, and activities as directed
- Provides specialized nursing services
