# Safety Coordinator

Duz Cho is looking for a Safety Coordinator for a project in Vanderhoof, BC and various project locations as requested. If you think you have what it takes to join a dynamic team and become a member of a growing team, please apply without haste

Employees are expected to support and participate in a "culture of safety", adhere to and be ambassadors of Duz Cho's Code of Conduct and Values, act professional and amicable, and to treat others with dignity, respect, and fairness.

Duz Cho is a 100% Indigenous owned company, with ownership belonging to Mcleod Lake Indian Band. The successful candidate will have a deep understanding of the diverse cultures and histories of local Indigenous communities. They must have demonstrated experience in applying Indigenous knowledge in a professional setting, adhering to cultural protocols, and working with a culturally safe approach. Knowledge of the Truth and Reconciliation Commission of Canada (TRC) Calls to Action and a commitment to advancing reconciliation are essential.

As a Safety Coordinator, you will play a crucial role in ensuring the well-being of our employees by promoting a safe working environment. You will have the opportunity to make a significant impact on our organization through your expertise in safety policies, training, and incident investigation. If you are passionate about workplace safety and have the necessary experience, we invite you to apply for this position.
Please note that this is not an exhaustive list of responsibilities or qualifications associated with this position.

**Roles & Responsibilities:**

- Conduct regular site inspections, orientations and safety meetings.
- Monitor compliance with company policies, client requirements, and regulatory legislation.
- Support supervisors and workers with hazard identification and risk assessments.
- Review and verify worker training, orientations, and competency requirements.
- Investigate incidents and near misses
- Assist with corrective actions and follow-up on outstanding safety items.
- Ensure required safety documentation is completed and maintained.
- Track and report safety statistics, inspections, observations, and compliance metrics.
- Promote a positive safety culture through coaching and worker engagement.
- Verify appropriate PPE is available and being used correctly.
- Participate in emergency response planning, drills, and incident response as required.
- Provide guidance and support to supervisors on safety related concerns.
- Assist with the development and implementation of safety programs, procedures, and initiatives.

**Qualifications:**

- Education level – NCSO
- Experience – Minimum 2 years with experience in mining, civil construction, and right-of-way (ROW) clearing considered an asset.

**Wage Rate:** $35-$40/hr. pending on experience;
**Living Out Allowance/Camp:** provided depending on job location and assignment;
**Shift:** Various shifts available -2 weeks on / 2 weeks off, or 2 weeks on / 1 week off or similar.

**Being able to pass an Alcohol / Drug test will be a condition of employment.**

**Email to submit resume (optional):** recruitment@duzcho.com
